WHAT WE CAN DO

PROVIDING SMILES, CREATIVE, DIGITAL, PRINT, MERCHANDISE & EVENTS

We will work with you to provide consultancy and support on how to approach, fulfil and deliver their projects in the most effective way. We provide design, managed print, reactive print, events and digital campaigns, from project management and creative to production.

We produce high quality litho, digital and large format printing in-house and pride ourselves on going beyond what most creative and print companies consider the norm. After recent years exploring the cutting edge of sustainable print we have a number of unique offerings all available from us as a single supplier.

Our services:

- Project management
- Print management
- Art direction
- Strategic branding
- Graphic design and illustration
- Copywriting, proofreading and editing
- Website and app design
- Social media
- Photography and video production
- Exhibition design and management
- Building and vehicle graphics
- Subcontractor and supplier management
- Procurement support
- Complex multi-layered projects across the UK
- Mailing and distribution
- Stock and supply (off shelf delivery)
- On site installations
- Event organisation, design, print, delivery and support

Health and Safety Law
What you need to know

All workers have a right to work in places where risks to their health and safety are properly controlled. Health and safety is about preventing people getting hurt or becoming ill through work. Your employer is responsible for health and safety, but workers must play a part.

What employers must do

1. Assess the risks to health and safety of their workers and the public.
2. Control the risks to health and safety of their workers and the public.
3. Provide information, instruction, training and supervision to their workers.
4. Monitor the health and safety of their workers and the public.
5. Keep records of health and safety.
6. Consult with workers on health and safety.
7. Report accidents, injuries and ill health to the HSE.
8. Report dangerous occurrences to the HSE.
9. Report deaths and serious injuries to the HSE.
10. Report deaths and serious injuries to the HSE.

What workers must do

1. Follow the health and safety rules of their employer.
2. Use the equipment and materials provided by their employer.
3. Report any health and safety problems to their employer.
4. Report any accidents, injuries or ill health to their employer.
5. Report any dangerous occurrences to their employer.
6. Report any deaths or serious injuries to their employer.
7. Report any deaths or serious injuries to the HSE.
8. Report any deaths or serious injuries to the HSE.
9. Report any deaths or serious injuries to the HSE.
10. Report any deaths or serious injuries to the HSE.

If there's a problem

1. Report any health and safety problems to your employer.
2. Report any accidents, injuries or ill health to your employer.
3. Report any dangerous occurrences to your employer.
4. Report any deaths or serious injuries to your employer.
5. Report any deaths or serious injuries to the HSE.
6. Report any deaths or serious injuries to the HSE.
7. Report any deaths or serious injuries to the HSE.
8. Report any deaths or serious injuries to the HSE.
9. Report any deaths or serious injuries to the HSE.
10. Report any deaths or serious injuries to the HSE.

For safety, please do not drink or use mobile phones while working. If you are unsure, ask your employer.

Employment rights: If you are employed, you have certain rights under the law. Your employer must follow the law. If you are not employed, you may still have certain rights under the law. Your employer must follow the law.
