REFINERY

Refinery has always been home to pioneers. As a lab-enabled building, designed from the basement up to accommodate Containment Level 2 laboratories.

Life Science occupiers will appreciate Hammersmith's ideal location, within a 30 minute radius of Imperial College's White City campus, Charing Cross Hospital, The Francis Crick Institute and University College London cluster at Kings Cross, as well as Guy's and St Thomas Hospitals NHS Trust at Waterloo.

A LAB LIKE NO OTHER

A new 150,000 SQF lab enabled building, part of a the ARC West London science campus on the banks of the Thames.

Accommodation ranging from fully fitted & managed labs from approx. 700 SQF to single/multiple floors.

A TRANSFORMING RIVERSIDE HOME FOR SCIENCE AND INNOVATION

REFINERY

Live your best Lab Life at Refinery and plug into a new kind of life science workspace. Come and work in ARC West London's new Refinery building, 150,000 SQF of world-class, flexible, lab-enabled building designed to inspire your passion for innovation.

- Serviced laboratory space with shared facilities from 700 SQF up to whole floors
- Established laboratory protocols
- Optionality from shell & core to fully fitted labs
- Ability to scale
- New F&B provisions plus top floor club room
- New open plan reception with business lounge

WATERFRONT

Waterfront lets you flow. It's part of the 240,000 SQF ARC West London campus designed to help scientists and innovators thrive. At Waterfront you can easily scale up as required, so that as you grow your business you don't need to relocate your business, not that you would ever want to.

- 5,000 - 10,961 SQF immediately available
- Top floor with private terrace and river views
- Landscaped gardens & river setting
- Turnkey option for CL2 laboratory
- New end of journey experience with bike racks and shower facilities
- Triple height Atrium with cafe and communal seating area
- Home to Motherlabs fully fitted and managed laboratory space
